Berkshire pork is known for its richness, texture, marbling, juiciness, tenderness and overall depth of flavor. It is thought by many to be the Kobe beef of pork. It is said to have a very specific taste, not generic and bland or mild like regular pork. You have to TRY IT!

The MOST convenient source of meat is your own freezer.

We deliver one of our Great tasting hogs to the Butcher. We will help you with a Cutting Order, then you take home to your freezer approx 63#s of delicious pork! Your total cost will be around \$245 or \$3. 81/lb These weights and costs will all depend on the individual animal and how you have it cut up but it gives you an idea.
